

EARLINGTON COMPANY

Reaches Owensboro in Good Shape — Gov. McCreary Will Inspect Troops Tomorrow

MILITARY BALL AT ARMORY TONIGHT

Headquarters, Camp Tandy Ellis, Owensboro, Ky., July 18. —Davies county's fair sex is to have an inning in the war game now being played here by the Kentucky National Guard. A brilliant military ball with Gov. McCreary as the guest of honor, will be given at the Armory Tuesday night.

In addition to the Chief Executive, Adj. Gen. J. Tandy Ellis, Brig. Gen. Roger D. Williams, Maj. Frank D. Rash, the regimental commanders, Col. W. A. Colston, J. Embrey Allen and Jonett Henry and Capt. Easton R. Gibson and other army instructors will be among the principal guests. A blanket invitation to the ball has been extended to all officers of the camp by the Owensboro Chamber of Commerce.

The armory is to be decorated with flags and banners and regimental bands. Music will be furnished by one of the regimental bands. There will be dancing from 8 o'clock until midnight. Revival of the military ball as a feature of the annual encamp-

ment has drawn warm praise from the soldiers.

Governor's Review

Plans for the reception of Gov. McCreary here on Tuesday, when he will review the soldiers, were announced today. Mayor Hickman, all directors of the Chamber of Commerce, members of the City Council and a special Entertainment Committee of 20 of the county's leading men will meet the Governor at noon. This committee, with newspaper men, will occupy places upon the reviewing stand to be erected tomorrow in front of the post office on Frederica street, the city's broadest thoroughfare.

Owensboro people are looking forward to the brigade review as a gala event, this city having been one of the few encampment towns to receive such a reward from the soldiers. The National Guard will march through the principal streets, the route calling for a march of several miles.

Gov. McCreary will visit the camp late in the afternoon and will be the guest of Gen. Ellis and Mrs. Ellis at dinner at the Rudd House.

POPULAR MAN PASSES AWAY

Mr. Frank B. Sisk Called by the Cold Hand of Death to His Reward

Mr. Frank B. Sisk a well known and popular citizen of this city passed away Saturday morning about 11 o'clock. He had long been suffering with cancer of the stomach and every means had been used to prolong his life. Some months ago he was operated on and it was thought for a time the operation was successful, but subsequent events proved the benefit was only temporary and a gradual decline took place which ended the sufferer's life Saturday. Mr. Sisk was a very successful farmer and had charge of the farming interest of the St. Bernard mining company of this place. He was a member of the Golden Cross and was buried under the auspices of this lodge Sunday afternoon at Earlington cemetery in the presence of a large number of friends and relatives. He leaves a son and a daughter and two sisters to mourn his loss. The family have the heartfelt sympathy of the entire community in the loss of their father.

Beauty More Than Skin Deep

A beautiful woman always has good digestion. If your digestion is faulty, Chamberlain's Tablets will do you good. Obtainable everywhere.

CO. G NOTES

Not a case of sickness in Co. G, which speaks well for them as follows:

E. Brinkley, as 1st Sergt., is making good and the boys all like him.

Chas. Ray, as 2nd Sergt., is giving satisfaction in the kitchen, and some of the boys have a kick coming about the Hash and 38s.

Shorty Donnelly as Artificer, has been two days trying to make a small table. Shorty is not usually so slow.

As the most soldierly men in camp; Tom Long, of Providence, is with us as Captain of Small Arms Practice.

Flint Gambitt has been detailed as Mounted orderly to the Brigade Commander.

Paul Twyman, of Hopkinsville, one of our former boys, is here and is on duty at Headquarters.

Dave Lamb, as right Guide of the company, is one of the tallest men in camp, as well as one of the best soldiers.

Water everywhere, but as a drink, well, the boys don't drink water in camp, "very unhealthy."

The Hospital corps, under Capt. Nisbet, is receiving compliments from all sides, but they are used to that.

Quite a number of home folks are expected to visit the boys today. They will be welcomed gladly.

Brigade Adj't Maj. F. D. Rash is one of the most popular officers in camp and has the full confidence of his commanding General K. G. Williams.

The boys all made a grab for the Bee when it arrived Saturday and was very glad to get them.

Camp Notes

Brig. Gen. Williams and Maj. F. D. Rash, brigade adjutant, were guests of Lieut. Col. J. Embrey Al-

len and staff officers of the Second Infantry at dinner today.

Paul Moore, editor of the Earlington Bee, was a camp visitor. He has a wide acquaintance in the 3rd regiment.

Inspection of the bivouac site on Bon Harbor Hills, five miles below Owensboro, will be made tomorrow by Capt. Easton R. Gibson and other leaders of the camp.

When the Third regiment soldiers were leaving camp today to pitch tents in a field across the pike, one of the last in line stopped. He stood at attention and saluted.

"Farewell, fare well, O. Camp Rushing Waters," he said, as he faced the swamplike ground.

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Re-
stored to Health by Lydia
E. Pinkham's Vegeta-
ble Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. JANSSEN, Box 8, Allyn, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

A NEW SKIN.

Snakes throw off their outer skin once a year. Human beings change their skin perhaps nine times in a year; that is, they have a new skin about once in six weeks.

The value of a clean skin in maintaining health is not properly understood by the majority of people. Cleanliness is a part of health. You cannot be healthy unless you are clean not only externally, but also internally.

The blood should also be assisted occasionally, like the skin, in throwing off poisons so that the system may not get clogged and leave a weak spot for disease germs to enter the system. When the blood is clogged, we suffer from what is commonly called a cold.

Dr. Pierce's Golden Medical Discovery purifies the blood and eradicates the poisons that breed and feed disease. It is best for scrofula, eczema, boils, pimples and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood.

Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

RIGHT HERE IN KENTUCKY.

Louisville, Ky.—"For all of ten years I have depended on Dr. Pierce's Pleasant Pellets. My husband and I both use them. They are the best remedy for biliousness and constipation. I am a practical nurse and I know what I say. I gladly recommend them."—Mrs. A. Chadwick, 2405 Bank St.

THEY RAISED CANE

At a regular meeting of E. W. Turner Lodge No. 648 F. & A. M. last Friday night the following members from St. Charles viz: W. L. Morse, W. J. Panll, E. L. Blanks, Arthur Robinson R. L. Davis, Lawson Ashmore and H. C. Strader presented Past Master W. A. Toombs with a beautiful gold beaded ebony cane handsomely engraved and with appropriate inscription. Past Master Jesse Phillips made the presentation in a glowing eulogy which made the case hardened, Col. bluish like sweet sixteen when receiving her initial kiss. However he recovered slightly and stammered a few words in grateful acceptance of the unexpected gift and the undeserved compliments and assured all of his lasting appreciation of their undeserved gift.

He now walks the streets flourishing that cane with air of state and grandeur which would make King Solomon even when showing off before the Queen of Sheba look like thirty cents at a county fair and which would cause prime ministers to grovel at his feet. His neighbors say he takes the cane to bed with him, but we are unable to prove that assertion but we know that county officials and railroad magnates abstain no recognition from him.

INCREASE IN SCHOOL PER CAPITA LIKELY

The Term May Also Be Lengthened From Six to Seven Months

Frankfort, Ky., July 19.—Assistant State Superintendent V. O. Gilbert stated today that as soon as the estimate of revenues for the fiscal year are received the Department of Education will declare the per capita appropriation of the State school fund. It is now \$4.50, the highest in history, and he said he believes it can be increased and the school term be extended for the first time from six to seven months.

The per capita may be as high as \$5, which means a distribution among the counties and cities of the State school fund on a basis of \$5 for each child of school age all the money being used for paying teachers.

Just For You!

Post Toasties are made for the purpose of affording you all the enjoyment and satisfaction that the four sides, top and bottom of the big package can hold.

Only the inner sweetmeat of the choicest Indian corn is used. These selected bits of corn are cooked, seasoned just right, rolled and toasted till they are big, crackly, golden-brown crisps—

Post Toasties

Then into the big, familiar, yellow carton, go the Toasties—fresh-sealed!

The wax wrapper keeps out moisture, dust and taint, and you get these flakes just as they leave the factory oven—fresh, crisp and delicious, ready to serve direct from the package.

Post Toasties are so superior to the ordinary brands of "corn flakes" that you will be well repaid for making the distinction in name.

There's a package for you at your grocer's—ask for

A Card to Owners of Rural Telephone Lines

We are anxious to see that all lines owned by other parties and connected with us are kept in such condition as to furnish efficient service. Where the owners of rural lines are responsible for their upkeep, we want to co-operate with them.

All lines require a thorough overhauling occasionally if the best service is to be obtained. We recommend that every line connected with us be overhauled at least once a year, and that at least one experienced telephone man assist in this work. The cost of this work when divided among all the patrons of the line, makes the amount paid by each man small, and this cost will be more than offset by the improved service.

If the owners of rural telephone lines in this section are experiencing trouble with their service, we will appreciate their talking the matter over with our manager or writing us fully. We will gladly do what we can toward helping you improve the condition of your line.

"Are you a soldier?"
"You bet, I'm a soldier!"
"What kind of a soldier are you?"
"I'm a boy soldier. But you say you are a soldier, too?"
"Yes, there are 5,000 women in my army."
"Five thousand women. I want to join. I'm a home guard."
"What are the duties of a home guard?"
"Why, I stay home and take care of the regular soldiers."
"Were you ever on a regular battle?"
"I lived with my mother in law for two years."
"What was that battle?"
"The battle of the kitchen."
"How did it end?"
"I shot the cook!"

City Dads Making Improvements

The City Dads of Earlington are making considerable improvements in the matter of concrete walks. The brick walk is being taken up on main street along the St. Bernard store and concrete is being placed. A number of men are at work on railroad street putting down concrete walks. This is quite an improvement over the old rough brick walk and adds considerably to the appearance of the streets. Long Bros. and George T. Miller, of this city, are doing the work.

PARIS PREACHER SEES DANCE EVILS

Because Rev. O. R. Mangan criticized a dance in Paris, held in the Masonic Temple, and refused to retract anything he said upon denial of his charges by the dance committee, Paris Masons have refused to allow any more subscription dances. They also require that all future dances be invitation affairs, and begin and close at earlier hours.
